Dear parents and guardians,

the 120th anniversary celebration of our Bismarck School will take place on May 8, 2024.

To properly celebrate this special event, the school is planning a day of fun and varied program.

We, the parents' council of the elementary school and the parents' council of the secondary school happily invite you to join us in supporting this memorable event.

There are various ways in which you can make a contribution:

1. **Cake and snack buffet:** We are planning a delicious buffet and are asking for cake and finger food donations. Your culinary contributions are very welcome.
2. **Helpers wanted:** We need active support with setting up, dismantling, admission and selling drinks and cakes. Every helping hand is important to us.
3. **Search for old school objects:** In order to make the 120 years of the school visible, we are looking for old school objects such as clothes, pictures, etc.. If you have such items and would like to make them available to the school for this special day, we would be delighted to receive them.

Please let us know how you would like to support by completing the attached form.

All proceeds from the cake and snack sale will go to the Bismarck School Förderverein!

Your help will make this anniversary celebration a wonderful and colorful event.

Thank you so much in advance!
